Live Patient Full Mouth Reconstruction

Come join many of the country's top clinicians along with the premier cosmetic reconstructive dental laboratories for this **3 WEEKEND/ 8 DAY LIVE PATIENT** program. These dentists and laboratories have presented this program for the past 10 years and are renowned leaders in this area of dental education. Course faculty include Doctors Ron Ristco, Mark Montgomery, Sheldon Seidman, David Faust, and Chris Hammond.

Schedule:

This course is being held in fabulous Las Vegas, Nevada at the UNLV School of Dental Medicine

Weekend #1 September 24-26, 2010

Advanced Occlusion, Diagnosis and Treatment Planning

Weekend #2 October 15-17, 2010

Advanced Smile Design and Full Mouth Preparation

Weekend #3 November 19-20, 2010

Advanced Case Delivery and Finishing

In this power packed 3 weekend course, you will treatment plan and treat a full mouth rehabilitation under the guidance of a clinical mentor. Each participant will prepare and restore 20 units at the course.

You will learn the latest techniques in bonded ceramics, smile design, and how to achieve a comfortable, stable occlusion resulting in the ultimate beauty and function.

Course registration:
